Garry & Scott
Go Kartsport Racing
244-248 Chesterville Rd
Moorabbin Vic 3189

Dear Garry & Scott

Karcher would like to thank you for a great event to launch our new range of high-pressure cleaners to over 80 members of the Bunnings team.

Your attention to detail and level of interest ensured that the launch was a complete success.

The whole venue really looked great, and maintained our professional brand image throughout.

The format of the team event held the attention of everyone invoiced right to the end of the night.

The feedback from all who attended has been fantastic, and this has helped contribute to successful sales of the new products to date.

We are also very appreciative of how accommodating you were in letting us set up our on track display during the day in between races, and for allowing us to add more attendees at the last minute, as word of mouth and excitement spread about the event amongst the Bunnings stores.

We would not hesitate in recommending GO Kartsport Racing as a great venue for hosting similar corporate events and are even considering hosting the Karcher Go-Kart Grand Prix on an annual basis.

Looking forward to working with you in the future.

Yours faithfully

Jacqueline Dobson
